

□□□□ **Armin van Buuren** intra din nou in turneu cu faimosul sau **A State Of Trance** in intreaga lume, de aceasta data sarbatorind al 500-lea episod al show-ului sau radio. Armin are, desigur, multe motive pentru a sarbatori in aceste zile - a fost votat dj-ul nr.1 in lume pentru al patrulea an la rand, radio show-ul lui ASOT este cel mai ascultat din lume si Armin are chiar propriul joc Wii gata de lansare. Cu siguranta, cele 5 show-uri

### **ASOT 500**

vor fi echitabile cu succesul pe care il are acum Armin van Buuren.

Incepand din Africa de Sud si terminand in Australia, setul celor 5 show-uri promite sa aduca tot ce este mai bun in trance in toate colturile lumii. El se va opri si in Miami, unde spectacolul va fi gazduit de **Ultra Music Festival**. Cel mai uimitor show promite sa fie in **Den Bosch, Olanda**

, line-up-ul incluzand dj precum Eco, W&W, Daniel Kandi, Ummet Ozcan, Markus Schulz si, desigur, Armin van Buuren.
